

International AATM-AABB Conference 2025
(20th Annual Congress & 5th Joint Meeting with AABB).

Call for Applications: Postgraduate AATM Travel Fellowships

Dear AATM Member Postgraduate Students,

We are delighted to announce two AATM Travel Fellowships for the upcoming International Conference - 20th Annual Congress of AATM and the 5th Joint Meeting with AATM-AABB AABB.

These prestigious fellowships are designed to recognize and support outstanding young AATM members (postgraduate students) who have demonstrated excellence in scientific research in the field of Transfusion Medicine. The aim is to facilitate their participation in this international platform, enhancing their academic journey and fostering professional growth.

About the Fellowship

The fellowship includes:

- Reimbursement of travel expenses
- Accommodation for two nights
- A grant of INR 10,000 or USD 125 toward conference-related expenses

This opportunity allows young researchers to present their work, engage with international experts, and contribute to discussions shaping the future of transfusion medicine in Asia.

Eligibility Criteria

Applicants must meet the following requirements:

1. Be currently enrolled in a postgraduate program in transfusion medicine or a related field.

International AATM-AABB Conference 2025
(20th Annual Congress & 5th Joint Meeting with AABB).

2. Be a registered AATM member.
3. Be under the age of 45 at the time of application.
4. Register for the conference and submit an abstract of their research work.

Application Process

Interested candidates must submit the following documents:

- An updated curriculum vitae (CV) outlining academic achievements, research experience, and relevant publications.
- A personal statement describing their motivation to attend the conference, career goals, and how the fellowship will support their professional development.
- A letter of recommendation from their academic supervisor or head of department.

Submission Details

Deadline: **August 15th 2025**

Submit to: aatm.aabb.2025@gmail.com

Note: Incomplete or late applications will not be considered.

Selection Process

Applications will be reviewed by a panel of experts appointed by AATM. Selections will be based on:

- Academic and research excellence
- Quality and relevance of the submitted abstract
- Clarity and motivation expressed in the personal statement
- Strength of the recommendation letter

International AATM-AABB Conference 2025
(20th Annual Congress & 5th Joint Meeting with AABB).

Notification

Successful applicants will be notified via email by **September 15th 2025**. Detailed information regarding fund disbursement and logistical arrangements will be provided thereafter.

We strongly encourage all eligible and enthusiastic postgraduate students passionate about transfusion medicine to apply and be part of this remarkable learning experience.

Warm regards,

Dr Nidhi Mehta

Organizing Committee Chair

Dr Gajendra Gupta

Conference Chair
